Thank you to Crosby Lyne from “Riccarton” for the use of his sheep  
& our major sponsors

**Welcome from the ASDWA  
President**

**On behalf** of the Australian Sheepdog Workers Association Inc. I would like to welcome everybody to Campbell Town for the 2015 CopRice Supreme Australian Championship Trial. Thank you to the Tasmanian Working Sheepdog Association Inc, their President Michael Grant and the Supreme organising committee for hosting the Championships and the Ted Gaby Interstate Challenge. A big thank you to all the volunteers who work tirelessly behind the scenes to make the event a success. Thank you to major sponsor CopRice, and all the other sponsors. Also a big thank you to the Lyne family from “Riccarton” for the use of their sheep and part of their property, a major contribution to this trial. Big lines of the same age sheep are hard to find and greatly appreciated by organising committees. Finally, good luck to all competitors and also to the Australian Test Team which is going to New Zealand in November for the annual Wayleggo Cup Trans Tasman Test Series.

Safe traveling,  
**Jim O’Connell**  
**President, ASDWA Inc.**

**Welcome from the TWSDA  
President**

**On behalf** of the TWSDA and Tasmanians, welcome everybody to the Campbell Town Supreme. This event has been 18 months in the planning. I would like to thank the Supreme Committee for their hard work in organising and running this event. Also because we have a small membership base, we rely on help in one way or another from nearly all our members, as well as a group of willing volunteers. We are indebted to the Lyne family and cannot thank them enough. Thank you to all competitors for the strong entry numbers, in particular those who have travelled long distances. I trust you enjoy our beautiful state and the hospitality Tasmanians can offer you.

**Michael Grant**  
**President, TWSDA**

## Ted Gaby Interstate Challenge - Contestants

### **(Tas) Bernard McGlashan & Mocara Ice**

A former Kiwi, Bernard has lived in Tasmania for 30 years now and is a farm manager from Ouse. Bernard has represented Australia 4 times and Tasmania for the ninth time. Bernard and Malcolm have teamed up 4 times in the past to compete and win the Ted Gaby Shield. Mocara Ice is an 8 year old border collie bitch, bred by Malcolm Taylor and litter sister to Mocara Ed. Ice has represented Australia 2 times and Tasmania 6 times.

### **(Tas) Malcolm Taylor & Mocara Ed**

Mocara Ed is an 8 year old border collie. He has won the Tasmanian Championship, Bendigo and Naracoorte trials twice and has won many open trials throughout Australia and Tasmania. He has represented Australia in the Trans Tasman many times and has won the Tasmanian Consistency twice. He is a magnificent dog to work, being very responsive to commands.

### **(Vic) John Tuddenham & Granan Roo**

John started trialling in 1990. He started by working in the yards and letting out sheep at the Ballarat Trial, and when Doug South lent him one of his old dogs called McIntosh Kimi, he had a bit of success. He then purchased a dog from the late Ron Seabrook and from then on has owned plenty of dogs, some good and some not so good. He has been on the Victorian Council for approximately 15 years and President for 4 years. He has represented Victoria 3 times and has judged the Supreme 4 times. John is looking forward to this Supreme and working his dog Granan Roo, and of course catching up with old mates and those attending this trial in Tassie. Granan Roo is a 6 year old border collie dog. He has a great temperament, is easy to train and always gives his best. He has won and been placed in many open trials and is an all round dog. To gain his place to represent Victoria, Granan Roo showed very consistent work in the selection trial.

### **(Vic) David Hines & Tarcoola Scooter**

I left school to work on the family farm and my first job was droving sheep up the long paddock where I soon learnt the value of a good sheepdog. I worked my first trial in 1971 and 4 years later won an open trial. For 20 years from 1984, I was unable to compete and it's certainly good to be back in competition again. I am really looking forward to working the 2015 Supreme. I've always worked my own breed (Tarcoola) and my rep dog, Tarcoola Scooter is a 7 year old female. She has won an open trial and is a joy to work.

### **(NSW) Pip Hudson & Rocky Star with Mick Hudson & MGH Meg (Father and son team)**

**Pip** has represented Australia a few times and captained Australia when the Supreme was held at the Parliamentary Triangle in Canberra ACT and Australia won the test against N.Z. Pip has been a President of the Australian Association and also President of the N.S.W. Association. He is currently Patron of the Australian Association. Pip has promoted dogs and dog trialling on TV New Zealand, 60 Minutes, Australian Stories, Midday Show, Country Calendar N.Z. and many other programmes. Pip still farms in a small way, running sheep and cattle. Rocky Star is 3½ years of age and this year won the New England Championship 2015.

**(NSW) Mick** is a 43 year old farmer, who has a station at Cobar and a White Dorper Stud at Dubbo, NSW. Working sheep dogs have been a major part of his life as a shearer and contract musterer, mustering sheep, cattle and goats. His goal is to breed a better working sheep dog. He trialled from the age of 16-20, then restarted again at the age of 35. MGH Meg is a 4½ year old short haired border collie bitch. She is by Wondara King 11 out of Hudson's Pup.

**(Qld) Jim O'Connell & Camara Ace**

Jim O'Connell is a grazier from Western Queensland. He lives on Camara, a drought stricken, 46,000 acre sheep and cattle station, with his dogs, wife and elderly mother. He bred Ace who is by Camara Atom out of Smiley's Kimba, both of which are by Parr's Lefty. Jim sold Ace as a pup to Bernard McGlashan. After he lost Gonzo (his own son of Atom) prematurely in 2012, Bernard was kind enough to sell Ace back. Ace has matured this year and recently won the Queensland Rep Run-off and the Queensland Supreme at Karara.

**(Qld) Roy Potticary & Delrae Eddie**

Roy resides on his 200 acre property at the base of the Great Dividing Range, 30 kms west of Toowoomba. He spends most of his time running fat lambs, cattle and cutting hay. He has worked all his life in the agricultural sector and when most men are contemplating retirement, Roy discovered the next chapter of his journey. While working as an ag assistant in the year 2000 he was encouraged by one of his students to give dog trialling a go. This chance meeting ignited his interest and it quickly grew into a lifestyle that folks half his age would struggle to keep up with. Roy won the Queensland Handler of the year in 2012. Delrae Eddie is a 3 year old dog bred by Roy. He was the only cream pup out of a litter of an unplanned mating which turned out to be successful. Eddie is a good natured, good looking dog with plenty of ability. He is a pleasure to compete with. His father Brenkris Stumpy represented Queensland at Strathalbyn in South Australia last year. Eddie has just won the Queensland Improver Dog of the year.

**(SA) Stephen Geraghty & Somerville Clyde**

Clyde is a 10 year old border collie bred by Malcolm Taylor. Clyde was the 2014 South Australian Dog of the Year. This year we won the Strathalbyn Field Trial, came 3<sup>rd</sup> in the Captain Payne Trial and 3<sup>rd</sup> at Port Elliot. We have represented South Australia at the Supreme 5 times and competed in over 50 finals. I'm retired and live at Aberfoyle Park and train my dogs in the Adelaide Hills.

**(SA) Milton Cross & OK Guv**

Milton, with his wife and 3 children live & work on a farm near Strathalbyn, running Dohne merino sheep, cropping and share-farming. Milton first became interested in trialling as a child & from the age of 14 helped release sheep at the Milang trial. He began trialling in 1985 and has made a habit of penning most runs and making the finals fairly consistently over the years. His highlights are winning the SA State Championship in 2005 and representing SA last time the Supreme was in Tassie. He is currently serving his second stint as President of SAWSDA. OK Guv, by Kurrangi Russ out of Bonny Doon Tinker, was bred and owned by the late Matt Coombe until late last year. Milton had the honour of buying him from Jude, having used him as a stud dog previously. Guv's great temperament and consistency are the traits Milton is searching for. Milton and Guv gained two 2nds and a 3<sup>rd</sup> in the three trials they have competed in so far. Guv's first run with Milton received a score of 94, a very emotional occasion for many at the trial just a few months after Matt's passing.

**(WA) Grant Cooke & Grassvalley Sky**

Grassvalley Sky is a 6 year old, black and white border collie bitch. She is out of Pendalup Candy and by Grassvalley Moss. She is a versatile bitch in yard, utility and arena trials, and a handy farm dog. Sky is a consistent performer and was equal W.A. Dog of the Year in 2013. She is currently leading in W.A.'s 2015 Dog of the Year.

**(W.A.) David Lacey & Akoonah Lady**

Dave is a past ASDWA & Qld State President. He has represented Qld twice with Akoonah Lady's sister and mother. Akoonah Lady is a 5 year old border collie. She has won a South Australia State Championship and is a competitive yard and utility dog.

# SHADOW'S FARM

# PHOTOGRAPHY

Shadow's Farm Photography will be at the Supremes in Tasmania capturing all the action of the main event. I pride myself on capturing those special moments on the ground, however can also provide private portraits of your dogs on request. I will also be offering a composite portrait incorporating your entire team of dogs, however due to the time required to construct this image, for this the number I can do will be limited. Please contact me either by email, in person or on facebook if you were wanting images of your runs prior to the event so I can be sure to capture the images for you.
